REMARKS

Applicants submit herewith a substitute Sequence Listing in computer and paper form in accordance with 37 C.F.R. §1.821-1.825. The content of the paper and computer readable copies of the Sequence Listing submitted in accordance with 37 C.F.R. §1.821(c) and (e) are the same and do not include new matter. Also enclosed is a copy of the Notice to Comply.

According to the Notice to Comply, the disk accompanying the Response to Notice to Comply mailed April 22, 2003, was melted. A customer service representative at the Scientific and Technical Information Center confirmed that a Sequence Listing saved on a diskette would be accepted at the Alexandria mailing address and should not be affected by problems with irradiation treatment.

Applicants believe that no fee is required with the submission of this paper. However, should any fees be required or any overpayment made in connection with this response, the Commissioner is hereby authorized to charge Deposit Account Number 02-4377. A duplicate of this page is enclosed.

Respectfully submitted,
